HLA Grupo Hospitalario offers you all its care services to look after your health during your study programme in Spain:

- 18 Hospitals and 38 Medical Centres
- External consultations, X-ray laboratory
- 24/7 Emergency care
- Interpreters to help you while you're being attended to
- Bring your international or university health insurance and pay nothing

# All the care you need at all times

During your study programme in Spain, our international team and doctors will take care of your health at all times

24/7 emergency care (with priority for international patients)

External consultations in all specialities, Monday to Friday

Multilingual interpreters by your side throughout the care process

## It's that easy, just contact us

In an emergency, go to the hospital in the area where you are and ask for the international department. You need only bring your insurance documentation and identification with you. Scan the QR code to find out about the centres in each area.
